

# Activating your Token:

6

You can activate your token as follows.

Click on “Account details/profile” -> “Account Details”-> “Association Code”

The screenshot displays the SpringerLink user interface. At the top, the navigation bar includes the SpringerLink logo, a search bar, and a user menu for 'Max Mustermann' with options for 'Account details/profile', 'Institutional / Athens login', and 'Logout'. An orange arrow points from the 'Account details/profile' link to the 'Association Code' field in the 'Your Organisations' section. The 'Account Details' section shows fields for 'First Name' (Max), 'Last Name' (Mustermann), 'Email Address' (max.mustermann@springer.com), and 'Password' (with a 'Change password' link). The 'Your Organisations' section features an 'Association code' field containing 'kTRPALgQnPsIRwH42QoROXLrMQ' and an 'Associate' button. Below this, there is a 'Springer Affiliates' section with an 'Add details' link. An orange arrow points from the 'Associate' button to the 'Add details' link.

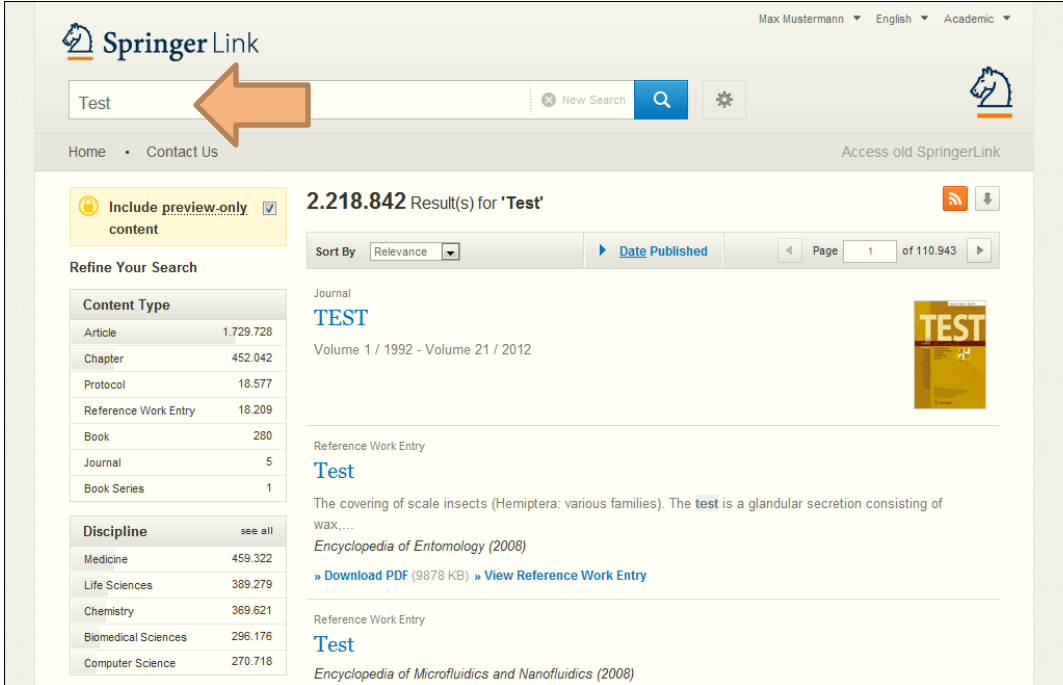

Enter your token,  
then click “Associate.”  
You are now a regular  
member of your society.

# Activating your Token:

7

You should now have access to your society Publication.

If you are logged into your society's account, please search for the journal title in the publication search box:

The screenshot shows the Springer Link search results page for the term "Test". The search bar at the top contains the word "Test" and is highlighted with an orange arrow. The page displays 2,218,842 results. On the left, there is a "Refine Your Search" section with two tables: "Content Type" and "Discipline".

Content Type	Count
Article	1,729,728
Chapter	452,042
Protocol	18,577
Reference Work Entry	18,209
Book	280
Journal	5
Book Series	1

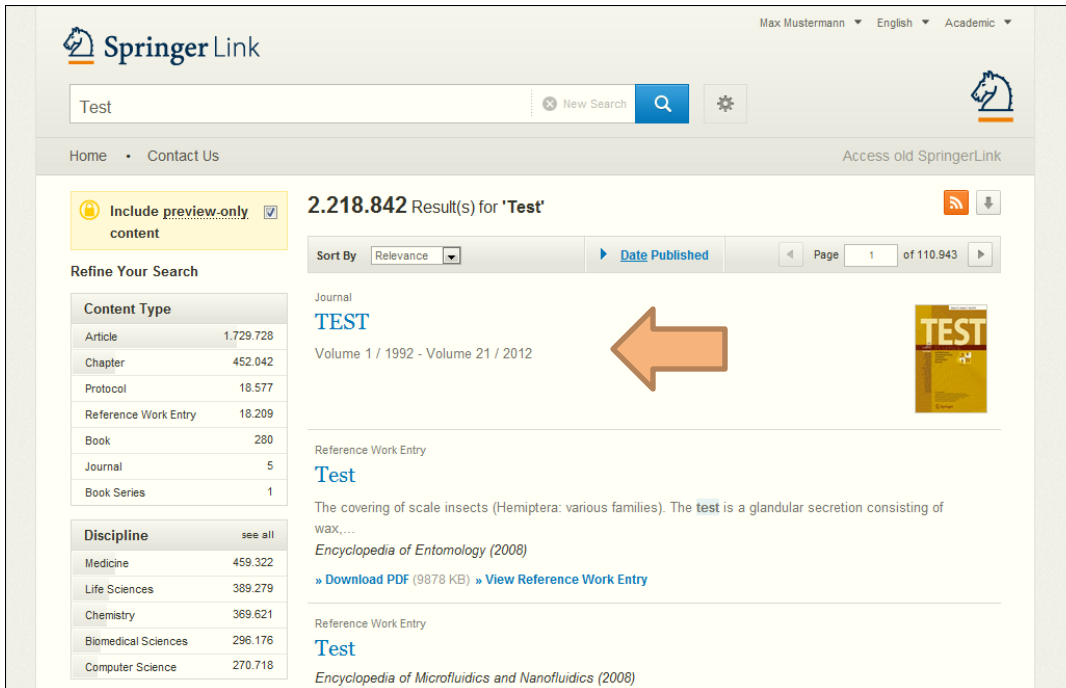

Discipline	Count
Medicine	459,322
Life Sciences	389,279
Chemistry	369,621
Biomedical Sciences	296,176
Computer Science	270,718

The main results section shows a "Journal" entry for "TEST" (Volume 1 / 1992 - Volume 21 / 2012) with a thumbnail image. Below it, a "Reference Work Entry" for "Test" is shown, with a description: "The covering of scale insects (Hemiptera: various families). The test is a glandular secretion consisting of wax...." and a link to the "Encyclopedia of Entomology (2008)". Further down, another "Reference Work Entry" for "Test" is shown, with a link to the "Encyclopedia of Microfluidics and Nanofluidics (2008)".

Your results will include an overview of selected journal's articles.  
Please click on the journals's link like below screen:

The screenshot shows the Springer Link search results page for the query "Test". The page features a search bar at the top with the text "Test" and a "New Search" button. Below the search bar, there are navigation links for "Home" and "Contact Us", and a link to "Access old SpringerLink".

On the left side, there is a "Refine Your Search" section with two filters:

- Include preview-only content** (checked)
- Content Type** (with a table showing counts for various content types)
- Discipline** (with a table showing counts for various disciplines)

The main search results area displays "2.218.842 Result(s) for 'Test'". Below this, there is a "Sort By" dropdown menu set to "Relevance", and a "Date Published" link. The results are paginated, showing "Page 1 of 110.943".

The first result is a "Journal" entry titled "TEST" (Volume 1 / 1992 - Volume 21 / 2012). A large orange arrow points to this result. To the right of the journal title is a small thumbnail image of the journal cover, which also has "TEST" written on it.

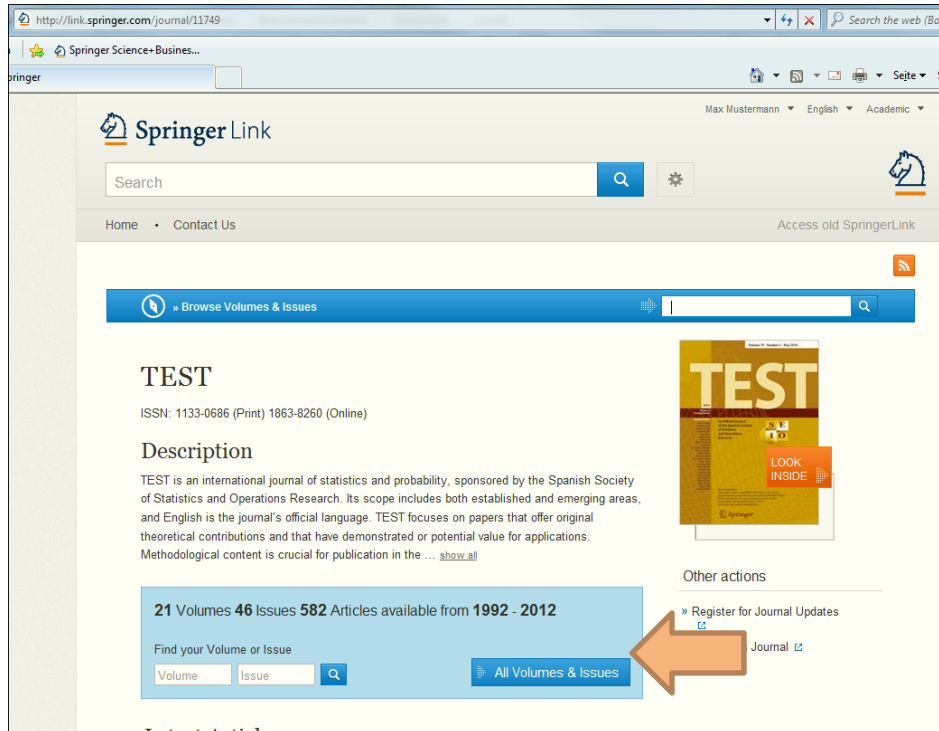

Below the journal entry, there are two "Reference Work Entry" results:

- Test**  
The covering of scale insects (Hemiptera: various families). The **test** is a glandular secretion consisting of wax,....  
*Encyclopedia of Entomology* (2008)  
» Download PDF (9878 KB) » View Reference Work Entry
- Test**  
*Encyclopedia of Microfluidics and Nanofluidics* (2008)

- Now you are on the journal's homepage, and when you are now click on All Volume & Issues you will see the whole content of the journal:

The screenshot shows the Springer Link interface for the journal TEST. The page includes a search bar, navigation links (Home, Contact Us), and a blue banner for "Browse Volumes & Issues". The journal title "TEST" is prominently displayed, along with its ISSN (1133-0686 for print, 1853-8260 for online). A description of the journal is provided, stating it is an international journal of statistics and probability sponsored by the Spanish Society of Statistics and Operations Research. A blue box highlights the availability of "21 Volumes 46 Issues 582 Articles available from 1992 - 2012". Below this, there is a search field for "Find your Volume or Issue" and a button labeled "All Volumes & Issues". A large orange arrow points to this button. Other actions like "Register for Journal Updates" and "Journal" are also visible.

Click “All Volumes & Issues.”

- Now you will see the whole content of the journal and you can make your own selection

The screenshot displays the Springer Link interface. At the top, the Springer Link logo is on the left, and user information (Max Mustermann) and language/academic settings are on the right. A search bar is located below the logo. The main navigation bar includes 'Home' and 'Contact Us' links. The central content area features a blue banner with a magnifying glass icon and the text '» Up to Journal'. Below this, the journal title 'TEST' is displayed, followed by 'All Volumes & Issues' and 'Volume 1 / 1992 - Volume 21 / 2012'. A large orange arrow points to the 'All Volumes & Issues' section. To the right of the text is a thumbnail image of a journal cover with the title 'TEST' and a 'LOOK INSIDE' button. Below the journal title, there are two expandable sections: 'Online First Articles' (which shows 'Articles not assigned to an issue') and 'Volume 21 - 3 Issues' (March 2012 - September 2012). The 'Volume 21' section lists 'Issue 3 - September 2012', 'Issue 2 - June 2012', and 'Issue 1 - March 2012'. Below this, a list of other volumes is shown, each with a right-pointing arrow and the number of issues: 'Volume 20 - 3 Issues' (May 2011 - November 2011), 'Volume 19 - 3 Issues' (May 2010 - November 2010), 'Volume 18 - 3 Issues' (May 2009 - November 2009), 'Volume 17 - 3 Issues' (May 2008 - November 2008), 'Volume 16 - 3 Issues' (May 2007 - December 2007), and 'Volume 15 - 2 Issues' (June 2006 - September 2006).
